Washington D.C.— During the week of March 17th Congressman Charlie Wilson (OH-6) is hitting the road to hold listening sessions all over Ohio's Sixth District. "Think of these as Town Hall Meetings where you do more of the talking than I do," Wilson said. "I know these are tough economic times and I want to hear from you about what's going on with you and your job, your family, your bills and your home. Many of these sessions are scheduled over lunch. Pack a lunch bag, please join me and tell me your stories. I'm looking forward to hearing from you," Wilson said.

** The media are welcome to attend the listening sessions. **
